

How to get to the temporary shuttle bus stop on the Plaza:

Keeping You in the
LOOP

TEMPORARY CHANGES TO SHUTTLE BUS ROUTES

The Office of General Services will begin a major renovation project within the bus turnaround of the Empire State Plaza that is expected to run from April 4 through early October 2016.

Beginning April 4 all Yankee Trails and NYS Industries for the Disabled shuttle buses that normally pick up and drop off within the bus turnaround area on the Concourse will be redirected outside to the Plaza level between Agency Buildings 2 and 3.

There will be signs posted on the Plaza indicating pick-up and drop-off locations for each shuttle route.

Shuttle riders can get to the Plaza by using the elevators in the agency buildings or stairways from the Concourse to the Plaza.

Updated bus schedules will be issued prior to April 4.

This information and project updates will be posted on the OGS Parking website — www.parking.ogs.ny.gov.
